

# Transport to and from Campus

Pupils can travel to and from the School campus on the School's own private buses or on the public/government bus services.

## PRIVATE BUS RUNS

The School runs three buses around areas of the North Shore and the Northern Beaches to assist many of our pupils who are not conveniently served by commercial or government services. Any families interested in any of these private bus services should contact the School's Transport office.

The morning bus service drops pupils at the Westmoreland Avenue entrance. A teacher on duty escorts pupils from the Junior Schools to buses in Westmoreland Avenue each afternoon.

The costs per trip (including GST) for 2010 are set at the following rates:

First Family Child	\$3.80
Second Family Child	\$2.90
Third Family Child and Subsequent Children	\$2.00

Charges relating to use of the School's private bus services for travel to and from school will be billed directly to your school account. Parents will be asked to nominate the days of the week travel will be undertaken and these charges will apply regardless of whether your child actually travels or not.

Families who may have an "ad hoc" requirement to use the School bus service may contact the School's Transport office when the need becomes known, to determine **whether there are seats available** on the day required. The cost of a casual journey on any of the School's published services is \$5.00 (inclusive of GST).

Any children **under 10 years** of age travelling on a private bus run will need to be met at the bus unless very specific consent has been given in writing by the parents for the children to proceed off the bus unaccompanied by either an older sibling or being met by another parent. If a child who should be met is not, drivers will call the parent concerned on the emergency phone number(s) provided on bus booking forms. In the event of the driver being unable to contact parents on emergency phone number(s), the children will remain on board for the remainder of run until the driver is able to make contact with a parent to arrange alternate pick up.

Families who wish to reserve seats on any of the School runs may book on a yearly or term by term basis. For all term bookings parents need to rebook prior to the commencement of each term, unless you have already ticked that particular term on the booking form. Booking forms are available on the website, at the Transport Office and on-board the busses. Any enquiries about the bus runs can be directed to the Transport Manager, Mr. Scott Atkinson by telephone on (02) 9972 5715 or by email [Scott.Atkinson@tphs.nsw.edu.au](mailto:Scott.Atkinson@tphs.nsw.edu.au)
