APPEAL FOR CANTEEN VOLUNTEERS

The Pittwater House Parents Association would like to invite you to participate in the **Canteen Credits Incentive Scheme**

One 'Canteen Credit' per day is awarded to each volunteer for assistance in the Canteen and applied to their School Account on the last day of term.

One 'Canteen Credit' equals \$25 value. Volunteers would be required to commit to a 6 hour day (approximately) on the day or days of their choice.

No previous experience is necessary and lunch is provided.

There is no limit to the number of Canteen Credits you can earn.

Eg. if you commit to one day per fortnight for one year you will save \$500 on your School fees. Positions are available on a first-come-first- served basis.

The Canteen is managed by the Pittwater House Parents Association and relies on volunteers to be successful – even one day per term is greatly appreciated.

All profits are spent on extra resources for your children

If you would like to join the team, please contact
