

Pittwater House

From the Deputy Principal

14 July 2020

Dear Parents and Guardians,

Hopefully your children have had a great break from their studies and are looking forward to returning next week.

As you would be aware, The N.S.W. Government has implemented new restrictions following the COVID-19 resurgence in Victoria. As a consequence of this, if you have travelled to Victoria or are currently in Victoria, you need to be familiar with and abide by the N.S.W. Government regulations with regard to 14 days of 'immediate self-isolation' on return to N.S.W. and therefore students would not be able to return to the School campus until this period of time has elapsed.

For more information on the restrictions, please use the link below.

<https://www.nsw.gov.au/covid-19/what-you-can-and-cant-do-under-rules/border-restrictions>

If this applies to you and means that there will be a student absence, please advise the school through the normal Skoolbag notification. Please also contact the appropriate Assistant Head (Junior School) or Year Coordinator, to ensure that work is organised during the absence.

A further correspondence will be communicated by the end of the week outlining the Term 3 COVID-19 procedures for Pittwater House.

Regards,

James Walmsley
Deputy Principal
