

# 9 research TOOLS

@Pittwater House Library

## FOR GREAT RESULTS EVERYTIME!

### 1. WORLD BOOK ONLINE

Search for encyclopedia articles, images and maps. Use the timelines to search a famous figure or create your own.

### 2. NOVELIST PLUS

Use Novelist Plus to get book recommendations and to search for books which are similar to your favourites.

### 3. HISTORY REFERENCE CENTRE

This is a full-text database featuring historical reference books, magazines, journals and thousands of primary source documents.

### 4. LITERARY REFERENCE CENTRE

This rich full-text database provides a broad spectrum of information on thousands of authors and their works across literary disciplines and timeframes.

### 5. SCIENCE REFERENCE CENTRE

This database contains full text for hundreds of science magazines, journals, encyclopedias, reference books and a vast collection of images.

### 6. AUSTRALIA/NZ POINTS OF VIEW

Containing resources that present multiple sides of a current issue – including information on key topics of interest to Australia/New Zealand researchers – this database helps students realise and develop persuasive arguments and essays, better understand controversial issues and develop analytical thinking skills.

### 7. CLICKVIEW

ClickView provides thousands of quality educational videos designed for Secondary schools

### 8. FLIPSTER

Flipster is an easy-to-use digital magazine newsstand for libraries.

### 9. EXPLORA

Explora supports both student research and classroom instruction with rich, reliable content and easy-to-use functionality.
