# Leadership Program

Today more than ever you as a young person face remarkable challenges. Therefore, it is so important for the School to provide you with a toolbox for life. A toolbox that will give you the skills and strategies to help you cope in society and life beyond school. Young people need to be healthy and resilient to meet life's challenges.

The Leadership Program allows individuals to develop greater confidence and awareness of themselves, their peers and learning beyond the classroom. The Program encourages greater responsibility for independent learning and reflection, develops team-work strategies, resilience, a sense of belonging and a respect of the individual. The Empowerment and Connection workshops encouraged you to cultivate empathy, challenge yourself, and above all to persevere in the face of adversity – because these are the qualities that will help you grow. The Leadership Program encourages individuals not to take the easy road, not to feel that they have to have instant gratification but rather to understand that people will only get from life what they invest in it. This Program will help you academically and pastorally.

This will involve:

- Undertaking a minimum of 6 hours of Community Work per year
- Participation in whole School events: swimming, athletics, House Cup
- Co-curricular participation – a minimum of 1 activity in Year 11
- Uniform Inspections – 6
- Exhibit positive relationships in Form – Form teachers will need to sign off that you have participated in Form activities
- Exhibit positive relationships in House – House teachers will need to sign off that you have participated in House activities
- Form presentation – a presentation to be made at Form, this can be with a group or as an individual

You must complete all minimum requirements of the Program. If, however, you participate in more co-curricular activities or complete more hours of service to the community, ensure that this is also recorded.

The variety of co-curricular activities and community service is broad; if your chosen activity is not listed, please see the Stage 6 Co-ordinator.

## **Submission of Leadership Program forms**

It is the student's responsibility to ensure that all forms are signed by the appropriate staff prior to submission to the Stage Co-ordinator. House Teachers and Form Teachers should be consulted as to when they are available to sign documents for the Leadership Program.

The Community Service form must be accompanied by a letter or letters from the service provider confirming the student's involvement. This should be on letterhead and include contact details of the provider.
