You can find further information on the website:

Incidental Fees

Term Based Incidentals - monthly charge of \$30

Incidental fees are based on an estimate of what activities and resources will be applicable to each class group and are calculated each year on a cost recovery basis. It includes the majority of program-based charges and those charges that are levied on each student where it applies to the class group – for example, incursions, excursions, specialist programs and student accident insurance. It does not include charges that are incurred on a voluntary and discretionary basis – for example, uniforms.

Notice Periods

1 week = increase in days / change of days / change of program

4 weeks = reduction of days / withdrawal from the ECC throughout the year
