Transport to and from Campus 2021 (Term 4)

Students can travel to and from the School campus on the Pittwater House specific buses or on the public/government bus services.

The Pittwater House bus system allows us to know who is on our buses at all times. This system offers considerable advantages in the event of an emergency or where we need to communicate with parents quickly.

COVID Compliance - Masks are mandatory for all students, K-12, on buses.

It is a condition of use of the School's private buses that Pittwater House Student Cards are scanned upon boarding and alighting the bus.

Private Bus Services

The School runs five buses around areas of the North Shore and the Northern Beaches to assist many of our students who are not conveniently served by commercial or government services.

The morning bus service drops students at the Westmoreland Avenue entrance. *Please note, the **St Ives** bus drops students at South Creek Road Carpark.*

A teacher on duty escorts students from the Junior School to buses in Westmoreland Avenue and the South Creek Road car park each afternoon.

Costs

The costs per trip (including GST) for 2021 are set at the following rates:

Fare Type	Cost
Booked Fare	\$4.50 per trip This is a flat rate fare with no discount for siblings.
Booked Casual Fare	\$8.00 per trip This fare applies ONLY where a casual booking has been made using Skoolbag at least 1 working day prior to the journey and you have received a confirmation from the school that this booking has been received and a seat is available. Only three casual bookings can be made at one time. The same days booked every week will be deemed to be a booked fare.
Unbooked Casual Fare	\$15.00 per trip For safety and capacity reasons we do not wish to take unbooked casual fares. There is a chance that students who arrive at the bus stop in the morning without booking at least one working day prior may be missed and students who get on the bus in the afternoon may put the bus over capacity and require an additional driver to be sought without notice to drive a backup bus.

Charges relating to use of the School's private bus services for travel to and from school will be billed directly to your school account. Parents will be asked to nominate the days of the week travel will be undertaken and these charges will apply regardless of whether your child actually travels or not.

How to Book

Families who wish to reserve seats on any of the School runs may book on a term basis. For all term bookings parents need to rebook prior to the commencement of each term by the cut off dates below. Bookings can be made using the Skoolbag app. **The School will not accept bookings or changes to bookings via email.**

Bookings:

Term Only Bookings	
Please note the booking cut offs below. <i>Note: If you want to make a one off change to your Term booking please refer to 'Change to Current Booking' below</i>

Change or Cancel Current Booking

Please see conditions as follows:

- If you want to make a once off change to the booked bus stop, the school must be notified at least one working day prior to the journey and you must receive confirmation of this change. No additional charges will apply.
- If you have a permanent booking but do not use it you will still be charged as per your booking.
- If you want to make a permanent change to your booking, you will be charged at the booked rate.
- If you want to add an additional one off journey to your booking this will be charged at the Booked Casual Fare rate and the same notice period will apply.
- If you want to permanently cancel a current booking the school must be notified at least one working day prior to the journey and you must have received confirmation of this change. You will not be charged for the cancelled journey/s. However if a permanent booking for the same routes and days is received within two weeks of the cancellation, then the booking will be deemed to be continuous and will be charged accordingly.

Important Note: if the school does not receive a Term Only or Casual Booking and a student uses the bus service, the Unbooked Casual Fare will apply until a valid booking has been received.

Any children **under 10 years of age** travelling on a private bus run will need to be met at the bus unless very specific consent has been given in writing by the parents for the children to proceed off the bus unaccompanied by either an older sibling or being met by another adult. If a child who should be met is not, drivers will call the parent concerned on the emergency phone number(s) provided on bus booking forms. In the event of the driver being unable to contact parents on emergency phone number(s), the children will remain on board for the remainder of run until the driver is able to make contact with a parent to arrange alternate pick up.

Any enquiries about the bus runs can be directed to: bus.bookings@tphs.nsw.edu.au.
