Transport to and from Campus

Students can travel to and from the School campus on the Pittwater House specific buses or on the public/government bus services.

The Pittwater House bus system allows us to know who is on our buses at all times. This system offers considerable advantages in the event of an emergency or where we need to communicate with parents quickly.

COVID Compliance - Masks are mandatory for all students, K-12, on buses.

It is a condition of use of the School's private buses that Pittwater House Student Cards are scanned upon boarding and alighting the bus.

Private Bus Services

The School runs five buses around areas of the North Shore and the Northern Beaches to assist many of our students who are not conveniently served by commercial or government services.

All students are dropped off and collected from our bus zone in the South Creek road car park.

Teaching staff on duty escort students from the Junior Schools to buses each afternoon.

Any children **under 10 years of age** travelling on a private bus run will need to be met at the bus unless very specific consent has been given in writing by the parents for the children to proceed off the bus unaccompanied by either an older sibling or being met by another adult. If a child who should be met is not, parents will be contacted via their emergency contact details provided to the school. In the event contact is unable to be made to parents, the child will remain on board for the remainder of the run until contact is made to arrange alternate pick up.

Costs

The costs per trip (including GST) for 2022 are set at the following rates:

Fare Type	Cost
Booked Fare	\$4.50 per trip This is a flat rate fare with no discount for siblings.
Unbooked Casual Fare	\$15.00 per trip For safety and capacity reasons we do not wish to take unbooked casual fares. There is a chance that students who arrive at the bus stop in the morning without booking at least one working day prior may be missed and students who get on the bus in the afternoon may put the bus over capacity and require an additional driver to be sought without notice to drive a backup bus.

NOTE: Charges will apply regardless of whether your child actually travels or not.

Charges relating to use of the School's private bus services for travel to and from school will be billed directly to your school account. Parents are required to book their child on the School's private buses by logging into the **RollCall Web version** or **RollCall Parent App**.

Any enquiries about the bus runs can be directed to: bus.bookings@tphs.nsw.edu.au.
