Uniforms and Appearance

The School uniform should always be worn correctly. This means that students may not mix and match items of sport uniform and the regular uniform. Full School uniform is always to be worn to and from School, even if travelling by car or bus. The uniform needs to be worn correctly both at School and in the general public.

Kindy to Year 6 students wear their sport uniform to and from School on Fridays and also on the allocated day they have practical PDHPE lessons as a class.

Years 7-12 must always wear their full School uniform to and from School and change into their Sport Uniform at School if they have training or practical PDHPE lessons. Any exceptions to this rule for special events will be clearly communicated.

Uniform for after-hours events held at School: There will be times such as weekend events or being in the audience of a School Major Production, where casual clothing is acceptable. However, for formal School organised events such as parent teacher evenings and parent and student information sessions, students are required to attend in full School uniform. Students should always double check if they are unclear on uniform expectations.

Uniform for Excursions: When students are attending an excursion, they will wear the uniform deemed appropriate to the nature of the outing by the Head of School or Co-ordinator of the Excursion. The uniform will take one of three forms: School uniform; Sport uniform or tracksuit. All students must always wear a School sun hat outside. Students who arrive to the bus or event not in School uniform will not be allowed to attend.

Lost Property

It cannot be too greatly emphasised that the School can do little to assist in recovering lost property if the item is not labelled with the student's full name and the loss is not reported immediately to the Form Teacher, Stage Leader, Assistant Heads or Head of School. If losses are reported at once, the School will take appropriate steps to investigate. Found property is held for a reasonable period at Reception. The School has no legal responsibility for personal items. These are brought on campus at the owner's risk and claims against the School for loss of or damage to personal property will be denied.
