

Pittwater House Senior School Sports Choices 2021

The Pittwater House Schools believe that a regular programme of physical activity and extra-curricular activity is an integral part of your education. Our objective is to offer an appropriate level of instruction in individual and team sports and extra-curricular programmes to all students at Pittwater House so that they may discover in themselves, and in association with their peers, in team settings, the enjoyment and challenge of athletic endeavours in fair spirit. The Sports Department highly recommends that everyone participate in activities during the school year. Parents please note that some teams/activities are limited to a specific number of participants and there may a trial situation to select the team.

If your child would like to sign up for any of the following activities, please submit the permission note which will be made available at the beginning of each Term via the Pittwater House Skoolbag App in the Sport folder. Please refer to the Co-Curricular Sports Program for more in-depth information on each sport or contact the Sports Office with any questions (sportsoffice@tphs.nsw.edu.au)
