

## Remote Learning Years 7-12 (Students and Parents)

In every timetabled lesson, students will have opportunities to:

- Connect with content
- Connect with the teacher
- Connect with each other

Learning is planned to account for:

- What students need to know, understand and be able to do
- How students will learn and apply this
- Knowing where students are at in their learning and how to move students forward

Lesson Length is reduced to 45 Minutes to allow for breaks between lessons.
