

Pittwater House

From the Manager of Sport & Co-Curricular Activities

Sports Choices – Additional Information

The Pittwater House Schools believe that a regular programme of physical activity and co-curricular activity is an integral part of your education. Our objective is to offer an appropriate level of instruction in individual and team sports and extra-curricular programmes to all students at Pittwater House so that they may discover in themselves, and in association with their peers, in team settings, the enjoyment and challenge of athletic endeavours in fair spirit.

The Sports Department needs to confirm membership of sporting teams. Please note that training generally begins the term prior to competition. Also, not all the sports listed below are full term sports and some may last for two terms. The Sports Department highly recommends that everyone participate in activities during the school year.
