2023 School Fees

Australian Citizens and Residents

No Hidden Costs

Incidental Fees

Includes the majority of curriculum-based charges and those charges that are levied on each student where it applies to the year group. For example, excursions, computer-based programs, camps, and student accident insurance. It does not include charges that are incurred on a voluntary and discretionary basis. For example, bus charges, uniforms, and book list items.

Family discounts

Family discounts are for families with more than one child concurrently attending the school. The discount rate is set at 2.5% for the second child, 5% for the third child and 10% for the fourth and subsequent children.

The discount is for tuition costs only and applies to students not receiving any other type of discount. Students who are in receipt of a scholarship will not receive a family discount and are removed for the purposes of calculating remaining family discounts. For example, if the second child in the family receives a scholarship, they will not receive the family discount and the third child will receive the second child discount.

Holding Fee

A fee of \$1,500 will be payable in the event of approved leave of absence of one term or more to hold a place open for up to 12 months.
