

Pittwater House

Bus Service

Pittwater House Bus Information

In addition to the government bus runs, Pittwater House runs an extensive service of five buses for families living on the North Shore and within the Northern Beaches.

Easy and convenient

The Pittwater House bus service app makes it easy for parents to make or change online bookings, and offers a convenient view of all stops, including their location and timing.

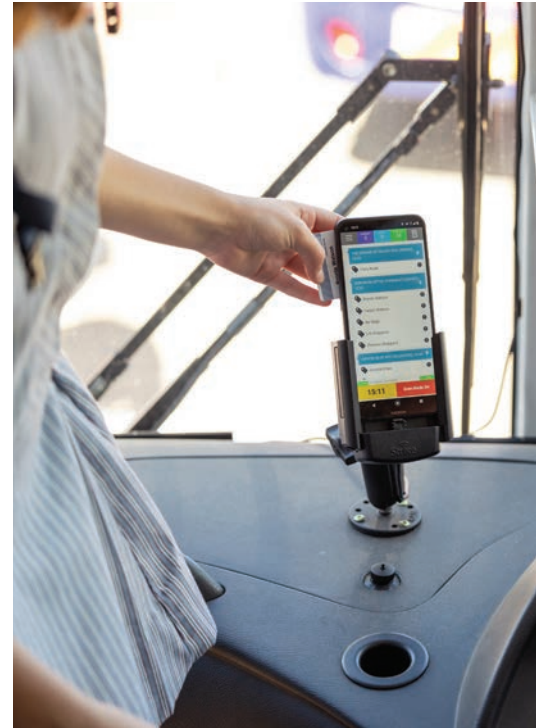

Bookings are made in advance. Please check the Transport page of our website for current prices.

A safe alternative

All students are safely dropped off and collected from our bus zone on the School campus, with Junior School students escorted to the buses by teaching staff each day.

As students board and alight, they scan their Student Cards, allowing staff and parents real-time visibility of student movements via the Pittwater House bus service app.

Please Note: Routes and timetables are subject to change. For the most up-to-date information, please refer to the transport page on our website.
